Become a Certified Seneca County Wastewater Treatment System Inspector 2022

New Inspector Course:

March 23rd & 24th , 2022
8:30am – 4:30pm

Where:

Seneca County Health Dept.
2465 Bonadent Drive
Waterloo, NY

The Seneca County Wastewater Treatment System Inspector's Certification Course prepares qualified individuals to conduct onsite wastewater treatment system inspections as required under the Seneca County Local Law.

The Seneca County Local Law is designed to protect the watersheds and groundwater of Seneca County. A major component of this law requires that onsite wastewater treatment systems in Seneca County be periodically inspected. Individuals who attend this certification course and pass the examination may conduct these inspections.

Please send the following:

1. Completed registration form,
2. Proof of professional qualifications,
3. Course registration fee of $300.00 by March 18th

   Or renewal fee of $150 by March 30, 2022.

   to: **SENECA COUNTY HEALTH DEPARTMENT**
   2465 Bonadent Drive, Suite 3
