

NEW YORK STATE HEALTHY NEIGHBORHOODS PROGRAM

Seneca County
Health Department

The New York State Healthy Neighborhoods Program (HNP) offered by the Seneca County Health Department (SCHD) provides Seneca County residents with free home assessments and strategies to improve safety inside the home.

HNP Seneca County aims to reduce the number of injuries that occur in the home.

HNP Seneca County Targets:

- Asthma triggers
- Trip/fall hazards
- Fire hazards
- Mold/mildew
- Unintentional poisonings

The Healthy Neighborhoods Program is available for Seneca County residents in the following Zip Codes:

- 14521 (Ovid)
- 14860 (Lodi)
- 14541 (Romulus)
- 13165 (Waterloo)
- 14847 (Interlaken)
