

## BOIL WATER ORDER LIFTED

The Seneca County Health Department has today, June 24, 2024, lifted the boil water order issued for the Town of Seneca Falls Water District from Fall Street and points north (area of Seneca Falls north of the canal) extending west to Rumsey Street. This order is being lifted because water sampling has shown that there is no bacteria in the water distribution system.

For further information, please contact the Joe Tullo of the Seneca Falls Water Treatment Plant at 315-549-2508 or the Seneca County Health Department at 315-539-1945.

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
